"Because Your Home reflects Your LifeStyle"

Locuintele noastre sunt pline de povesti frumoase, povesti nascute din dorinta de a crea proiecte unice, personalizate, pline de eleganta si rafinament... Povesti care vorbesc despre noi si despre ceea ce iubim sa facem!

Pentru ca fiecare locuinta este unica, amenajarea ei necesita multa munca si devotament, mult suflet si cunoastere... Fiecare piesa de mobilier, fiecare decora este important, alegerea si imbinarea lor aducand viata si personalitate locuintei.

Interior Store, inca de la aparitia pe piata romaneasca s-a impus ca o firma dinamica, in plina dezvoltare - o marca pentru cei pasionati de arta, design, moda si stil.

In cei 11 ani de activitate, desfasurata la nivel national, Interior Store a reusit sa aduca pe piata romaneasca peste 600 de branduri internationale de lux.

Pentru ca suntem adeptii unui stil de viata ancorat in ultimele tendinte, Interior Store si-a propus sa lanseze in Romania, cele mai noi colectii de mobilier si decoratiuni de lux, realizate de branduri internationale consacrate.

Lucrand in stansa legatura cu clientii nostri, am reusit sa realizam proiecte unice, spectaculoase, pline de viata...

Si astfel, fiecare poveste este unica...

Ioana Tinea

*Ce este stilul?
Pentru multii oameni, un mod
complicat de a spune lucruri foarte
simple.*

*Dupa noi: un mod foarte simplu de
a spune lucruri complicate.*
