Kroftman

Germany

Webshop > Platform

Coding/ Debugging

Based on Wordpress

Angular/ JavaScript/ PHP/ SQL

WooCommerce

Support/ Maintenance

Creating the platform based on the client's requirements.

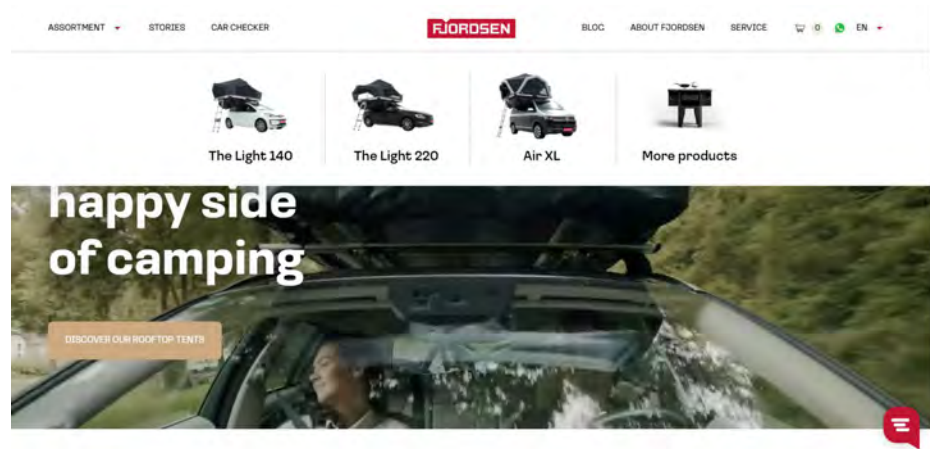

Involvement of the processes from the purchase of the production to its delivery.

Implementation of all internal processes that include the accounting field.

Kroftman supplies steel storage buildings, warehouse tents, storage tents and container shelters. With our range of standard models we offer high quality at a low price. Our products are almost always deliverable from stock and easy and quick to assemble.

Fjordsen

Netherlands

Webshop > Platform

Coding/ Debugging Based on

Wordpress

HTML/ CSS/ JavaScript/ PHP/ SQL

WooCommerce

Support/ Maintenance

The creation of the online store based on the client's requirements that covers a large number of countries and an enormous list of clients. Adaptation and automation of purchase and payment processes, including the possibility of sending a team of craftsmen.

Fill in the car checker to find out which rooftop tent fits your car! Fjordsen rooftop tents fit on almost every car. We have kept our rooftop tents relatively light using smart design and lightweight materials. This means that you can even go rooftop tent camping in your Volkswagen Up or Renault Clio.
