

Design Factory

creates new shapes and attitudes

[Who we are?]

- Design Factory has over 10 years experience in advertising, media and print industry.
- Our portfolio encompasses clients from different fields of activity: media, pharmaceutical industry (producers and distributors), financial, environmental agencies, automotive industry, etc.

[Who we are?]

- We offer branding, product strategic planning, media planning, printing, large format indoor and outdoor advertising, event organizing, web design
- At DF every client is important and treated like a unique one. Our understanding of the needs and wants of the customer helps us deliver a successful campaign that resonates with their core and potential target audience.
- We are that creative team who can produce a refined campaign that's within your budget

[What we do?]

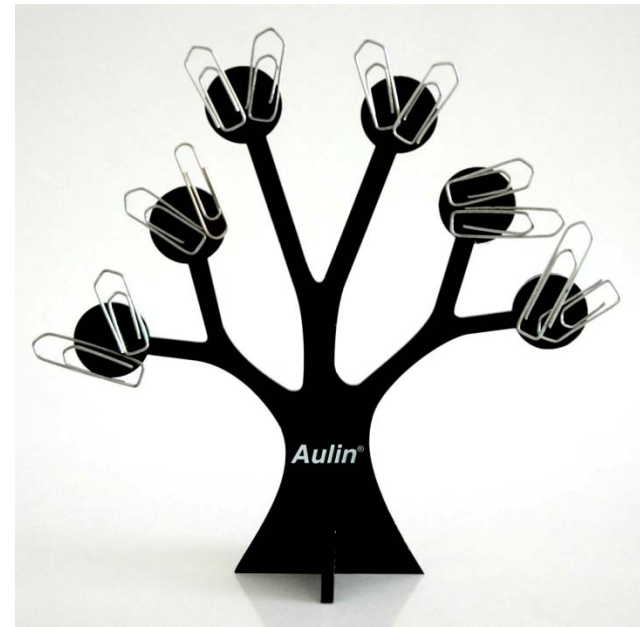

- Design Factory works to create an image that not only affords visual appeal but exudes your business personality. Design, colour, fonts and images sell a business if arranged strategically and creatively.
- We are passionate about what we do and our works speaks for itself.

Our Clients

Creative work

- DF designs pieces that provide a compelling reason why customers need to listen to what you have to say.
- DF helps clients develop a message and image that commands that attention.

Creative work

- Listening, planning and creating artistic pieces is how we help make our clients' branding innovative
- **Create** a concept that is also intriguing and captivating . . . the vision comes to fruition

Product Strategic Planning- Pharma Industry

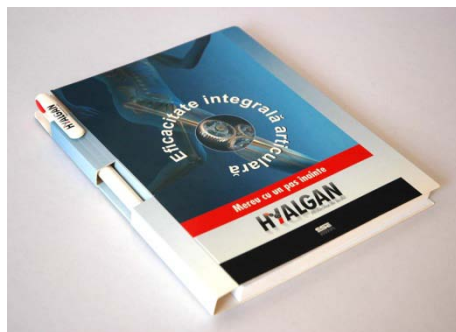

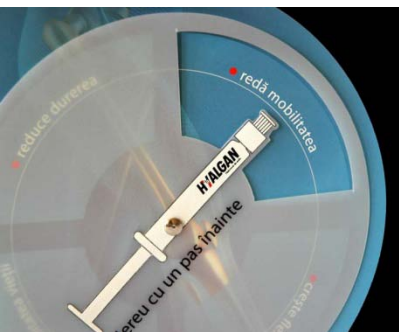

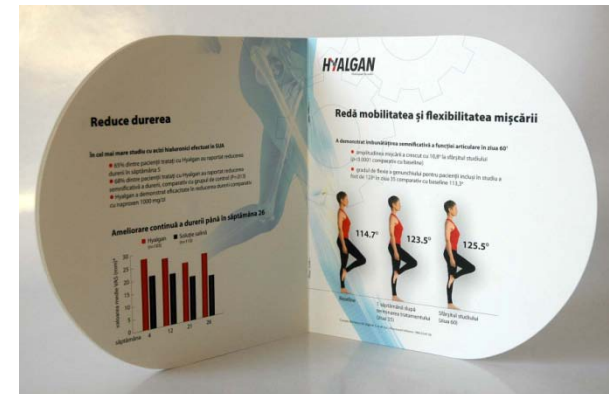

- It is our mission to equip you with all of the key pieces of your brand image to harness a successful look and feel for your company that will transcend across all generations and cultures.

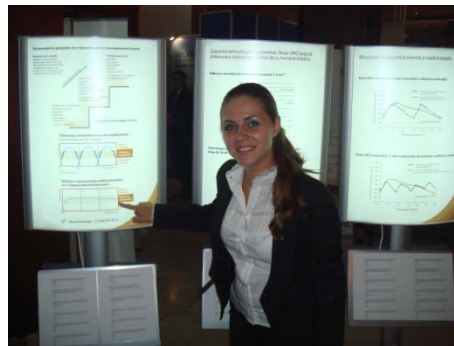

Product Strategic Planning- Pharma Industry

- Is our mission to create branding that impacts past visual appeal and becomes your exclusive signature.
- Our Goal... Results by Design!

Creative work - landmarks

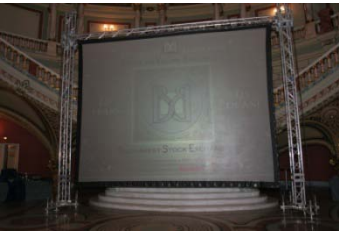

- Your brand is the foundation of who you are. Strong brand recognition provides great value to your company overall.
- At Design Factory the branding campaigns we create for our clients are their exclusive signature and directly impacts its marketing appeal.

[Packaging]

- We know that we can't approach your product packaging as just another product. The focus is to get you noticed.

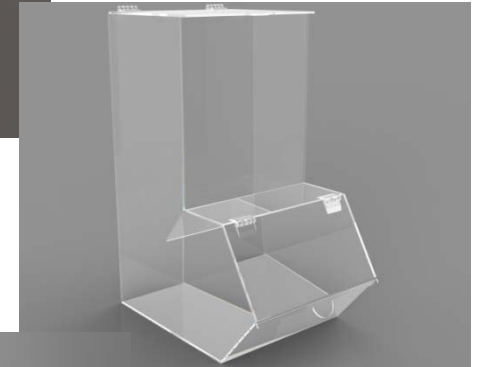

[And much more...]

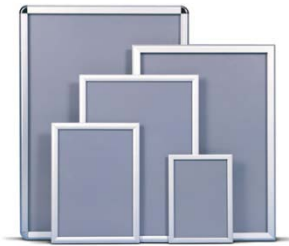

- Not only do we deliver your message through a variety of traditional forms of public relations, public affairs and online media services, our team can clearly identify and produce through social media and other forms that deliver high-impact and innovative media solutions.
